Mumbai, January 29th, 2009: Allied Digital Services Limited (BSE: 532875) (NSE ID: ADSL), Systems Integrator and an IT Infrastructure Management Services Provider company today announced their unaudited quarterly results with consolidated revenue of **Rs. 139.74 Crores** for the quarter ended December 31st, 2008, **an increase of 76%** as compared to Total Income of Rs. 79.29 Crores for the quarter ended 31st December 07. The consolidated **Profit after Tax** for the quarter ended 31st December 2008 was **Rs. 17.93 crores** as against a PAT of Rs. 12.10 Crores for the quarter ended 31st December 2007, **an increase of 48%**

Commenting on the results, **Chairman & Managing Director of Allied Digital, Mr. Nitin Shah**, said "our solid base of recurring service revenue, broad services portfolio across both the public and commercial markets in India and USA, and diversified range of vertical industries provide us with advantages that has proven beneficial and achieve growth during these difficult economic conditions. In addition, we will continue to act prudently and decisively to take steps to manage our performance. For example, as previously announced, we have very effectively initiated the Procurement Assistance program, helping reduce the hardware billing to the customers and thus help optimize working capital utilisation".

Speaking on their business outlook **Mr Nitin Shah** added, "Going forward with our specialized services and solutions offerings we can quickly assist customers in areas that can help in a challenging economic environment, such as IT optimization, IT capacity utilization and effective Remote management. Our state-of-the-art technology, processes and reach provide a wide range of options to help organizations reduce costs and improve profitability. We also find an increased opportunity to address the regulatory compliance needs of our customers"

Amidst many awards and recognitions, Allied Digital was recently awarded by '**Dataquest : Excellence Award – Gold Category**' as '**Fastest Growing System Integrator in India**'.
